HOW TO MEASURE FOR REPLACEMENT WALK-IN DOORS

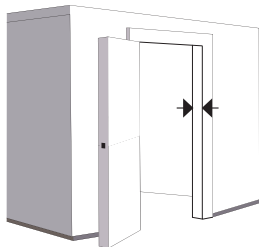

DOOR OPENING WIDTH

Supply the narrowest dimension for the width of the door opening.

DOOR OPENING HEIGHT

Supply the narrowest dimension for the height of the door opening.

WALL THICKNESS

Measure the thickness of the existing wall. **DO NOT** include the thickness of the door frame.

HOW TO ORDER

Save, scan, or take a photo of your quote request/order form and email it to us at doors@everidge.com. Include your contact information and we will confirm pricing and approximate lead time for shipping. Normal lead time is 10 to 15 working days. All freight is FOB. Freight costs will be added to your quote/invoice.

Please Note: Customer is responsible for verifying all dimensions before ordering door.
